Pakistan Leadership Conversation 2018

Collective vision for an
Emerging Pakistan

#PLC2018

A photograph of two men in business attire sitting at a table in a meeting. The man on the right is wearing a pink shirt and a striped tie, and is gesturing with his hands while speaking. The man on the left is wearing a white shirt and is listening. A red rectangular box is overlaid on the image, containing the text "Starting the conversation...".

Starting the conversation...

Forming a collective vision, driving actionable agenda

PLC is a series of conferences that brings together prominent thought leaders from the public and private sectors and engage them in thought-provoking and future-focused conversations that aim to shape the future of society and economy in Pakistan. At Pakistan Leadership Conversation 2018, over 40 conversation leaders and 2,000+ business professionals will sit together in three metropolitan cities to explore **forward-thinking policy choices** for an **'Emerging Pakistan'**.
