## 9. Professional indemnity insurance

### *(1) Holders of a practising certificate*

- (a) Subject to [regulation 9\(8\)](#), applicants for and holders of a practising certificate must hold professional indemnity insurance (“PII”) covering the liabilities and according with the limits set out in this regulation 9.
- (b) In the case of such a person whose firm employs full and/or part time staff, the firm must also hold a policy of fidelity guarantee insurance (“FGI”) in respect of all partners, directors, members and designated members of limited liability partnerships, employees and [sub-contractors](#) in accordance with this regulation. FGI may, but need not, form a single policy with PII.
- (c) PII and FGI must remain in force for all of the period during which a practising certificate is held.
- (d) PII and FGI may be effected with an insurance company or insurance companies or other underwriter authorised by a relevant authority in a country or jurisdiction, provided that Council reserves the right to require applicants for or holders of a practising certificate not to use certain insurance companies or underwriters, if it so directs.

### *(2) Liabilities to be covered*

PII shall provide cover in respect of all civil liability incurred in connection with the conduct of the firm’s business by the partners, directors, members and designated members of limited liability partnerships, employees or sub-contractors and FGI shall include cover against any acts of fraud or dishonesty by any partner, director, employee or sub-contractor in respect of money or goods held in trust by the firm.

### *(3) Limits*

- (a) Subject to regulation 9(3)(f), the limit of indemnity on PII in respect of each and every claim shall be:
  - (i) in the case of a person whose firm’s total income for the accounting year immediately preceding the year in question (the “relevant total income” and “relevant accounting year”) is less than £600,000 (or euro equivalent), at least the greater of:

- (aa) two and one half times that firm's relevant total income; and
  - (bb) £100,000 (or euro equivalent);
  - (ii) in the case of a person whose firm's relevant total income is equal to or more than £600,000 (or euro equivalent), at least £1.5 million (or euro equivalent).
- (b) The limit of indemnity on PII may be on an aggregate basis as opposed to an each and every claim basis for certain high-risk exposures (if an aggregate limit is all that is made available to the firm by insurers). These exposures may include, but are not limited to, cyber related events, tax planning or financial services. The aggregate limit of this cover must be calculated in accordance with regulation 9(3)(a).
- (c) A firm's "total income" is the aggregate of the firm's professional charges and all other income (including commissions and work sub-contracted) received by a firm in respect of and in the course of the firm's business, but excluding any commission which the firm passes on to the client.
- (d) Subject to regulation 9(3)(f), any uninsured excess (that is to say, the amount of any claim which is borne by the firm before there is any payment by the insurer) in accordance with a firm's PII and FGI shall be no more than £20,000 (or euro equivalent) per principal in respect of each and every claim.
- (e) Subject to regulation 9(3)(f), the annual limit of indemnity to be provided by a firm's FGI shall be not less than £100,000 (or euro equivalent) in respect of each and every claim.
- (f) Persons carrying on public practice in a country other than a designated territory may, instead of complying with regulations 9(3)(a), 9(3)(d) and 9(3)(e), comply with the minimum requirements of a recognised national body or regulatory authority in that country in respect of the limit of indemnity on PII and FGI and in respect of uninsured excess.

#### *(4) Administrative provisions*

- (a) (i) Each person subject to [regulation 9\(1\)](#) must on request provide the Association with evidence that they hold PII and, if required, FGI in accordance with this regulation in such form as is required by the Association.
  - (ii) In the event that PII is subject to an aggregate limit and claims are notified during the year in question but not met in that year, the aggregate limit for the following year and, if such claims are not by then met, subsequent years should be increased to take account of the amount (or a best estimate of that amount) either paid or reserved for such claims.
- (b) Each person subject to regulation 9(1) shall be deemed to have authorised the Association to seek, direct from the relevant insurer and/or broker, confirmation of matters of record.
- (c) Each person subject to regulation 9(1) must keep a record of insurance claims made by them pursuant to their PII and, as the case may be, FGI. Such record, together

with each annual renewal proposal form, must be available for inspection by the Association.

### *(5) Continuity following cessation*

Persons subject to regulation 9(1) shall ensure that arrangements exist for the continued existence of PII and, as the case may be, FGI for a period of six years after they cease to engage in public practice. Such PII and, as the case may be, FGI shall be on terms satisfying the requirements of this regulation as applied to their business during the year immediately preceding such cessation.

### *(6) Retroactive cover*

Persons subject to regulation 9(1) shall ensure that the PII policy includes full retroactive cover.

### *(7) Regulated work*

Persons carrying on regulated work shall comply with the minimum PII requirements set out in all the applicable sections of the Association's Rulebook and relevant legislation. In addition, they must comply with the minimum requirements set by a recognised national body or regulatory authority in respect of the limit of indemnity on PII for regulated work.

### *(8) Exception*

An individual who is not a sole proprietor, partner or director of the firm in which the individual works, or member or designated member of a limited liability partnership, but holds a practising certificate and is responsible for public practice work carried on by the firm, shall be deemed to hold PII in accordance with regulation 9(1) where the firm (or all of them if more than one) in which the individual works:

- (a) is a person subject to regulation 9(1) and holds PII in compliance with regulation 9(1);  
or
- (b) holds PII which the Admissions and Licensing Committee regards as adequate.

- (b) Such provision may be made in the partnership agreement (where the firm is a partnership) or in the Memorandum and Articles of Association (where a firm is a company) or in the incorporation document (where the firm is a limited liability partnership) or other such agreement as the members of the limited liability partnership may agree or by entering into and keeping in force for all of the period during which a practising certificate is held a written agreement with another firm.
- (c) The nominee or nominees must hold equivalent qualifications and be authorised to carry on the firm's work for which they have undertaken to be responsible.
- (d) An individual holder of a practising certificate who is the sole director and shareholder of their firm may not provide nominee services to their firm.
- (e) Where the firm's practice is based in more than one country, it must comply with this regulation in respect of each country in which it is based and may appoint different nominees in respect of different countries.
