ABOUT ACCA

They equip individuals with the business and finance expertise and ethical judgment to create, protect, and report the sustainable value delivered by organisations and economies.

Guided by our purpose and values, our vision is to develop **the accountancy profession the world needs**. Partnering with policymakers, standard setters, the donor community, educators and other accountancy bodies, we're strengthening and building a profession that drives **a sustainable future for all**.

ACCA'S FOUNDATION-LEVEL QUALIFICATIONS AND THE MEDIUM OF WELSH

ACCA's Foundation-Level qualifications, which are regulated by Qualifications Wales, are delivered to students in English and are not offered in the medium of Welsh. This is in line with ACCA's global operating model of delivering these qualifications to students in English only. ACCA does not currently plan to amend our operating model to offer any of these qualifications in the medium of Welsh. We support students in ensuring they have the necessary level of ability in both **English and maths**, prior to beginning their studies with ACCA.
